New York Stock Exchange.
New York, March 25.—The decision of the supreme court in the granger cases yesterday lost all its influence this morning. The strength arising from the scarcity of stock in the street, however, put an end to the bear demonstration, only Rock Island and Sugar showing any real weakness. Final changes are generally fractional losses. Rumors of an adverse decision in San Francisco on the sugar case led to the selling of sugar refiners and it lost 1 1/2 per cent. after selling the ex-dividend of 2 1/2 per cent., and although the sugar was denied the stock failed to rally and closed at its lowest figures.

They also produce a good appetite, and invigorate and strengthen the entire system by their tonic action. Sold at 25 cents a box by Z. C. M. I. drug store.

ADVICE TO MOTHERS.
Mrs. Winslow's soothing syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. Twenty-five cents a bottle.

How's Your Liver?

Is the Oriental salutation, knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. Simmons Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy.

NEVER BEEN DISAPPOINTED.
As a general family remedy for Dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never been disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the Stomach and Bowels.
